Lott Carey Strategic Priorities for 2017 – 2022

The Lott Carey Baptist Foreign Mission Society was organized in 1897 by African-American Baptists who were committed to missions in Africa with intentionality and integrity. Today, Lott Carey helps churches to extend the Christian witness throughout the world. We come alongside indigenous leadership globally through ministries of evangelism, compassion, empowerment, and advocacy with prayer partnership, financial support and technical assistance. Together, we are touching lives with transforming love.

_Lott Strategic Priorities are to:_

1. Strengthen global partnership impact  
2. Heighten brand awareness  
3. Expand depth and breadth of church participation  
4. Strengthen youth engagement (Children and Youth)  
5. Widen young adult involvement (Millennials and Generation X)  
6. Provide missions education and leadership training  
   (congregational, pastoral and seminary)  
7. Fortify organizational strength
