HOTEL ACCOMMODATIONS

A small block of rooms have been reserved at the Grandover Resort & Spa, Thursday, August 18 – Friday, August 19th. The rate is \$239/night PLUS applicable taxes and fees. Spa packages are available for those who wish to take advantage of the current specials. For room reservations, contact the Grandover Resort & Spa Reservation Center.

Grandover Resort & Spa: Golf at Grandover

At the heart of Grandover Resort are the two 18 hole championship golf courses, East & West, designed by David Graham and Gary Panks. The East Course, opened in March 1996, is a challenging 7250 yards from the championship tees. Many of the holes are designed to give stadium type effect, and the tree-lined fairways offer a seasonal blaze of color, providing guests the feeling of being in nature preserve in the Heartland of golf. The West Course, opened in May 1997, is formed with the naturally rolling terrain and elevation changes found in the Piedmont of North Carolina. A links style layout flows away from the resort for the first 9 holes and returns for the inward nine. The West Course measures 6800 yards from the championship tees.

The experienced Golf Professionals offer quality instruction, and the well-appointed Golf Pro Shop features a current selection of apparel, equipment and gift items.

The Grandover golf team is dedicated to deliver the very best service and experience to our resort and golfing guests.

Tee time priority is offered to hotel guests with public tee times available.

BENEFITS

Proceeds to benefit the construction of a High School in Gbarpolu, Liberia to be named in honor of Dr. and Mrs. David Emmanuel Goatley

About the Golf Tournament Beneficiary

The Lott Carey Baptist Mission sub-station is situated in Bambu Town, Bopolu District, Gbarpolu County, some sixty-two (62) miles from Brewerville City. In 1960, an agreement was signed between the tribal people led by the late Paramount chief, Bambu, of Bopolu Chiefdom, and the Lott Carey Convention with the understanding that the local authorities would give 1500 acres of land to the convention to administer its mission work. Then, the Convention recompense would educate the children of Bopolu Chiefdom.

Bambu Ta (Town) is made up of 9 towns/villages within Bopolu District with a population between 4,667 to 5,000. This part of Liberia is very rural and most of its residents depend on farming for survival. The campus is located about 2 hours from the city of Bopolu (in Gbarpolu County) and about 3 and half hours away from the Brewerville campus.

Students come from a 5-mile radius to our school campus. Our LCM Bopolu campus runs from Nursery to grade 9, presently. Student population is 225 (female 87, male 138).

The nearest high school is 15 miles away and too far and expensive for many of the students to travel back and forth to school. As a result, when students complete the 9th grade, they have very little opportunity to continue their education. Elevating the Bopolu campus to a high school will afford many students from neighboring towns the opportunity to attend and complete high school, giving them a greater opportunity to improve their lives and that of their community. We are hopeful that the high school program will include vocation technical as well as academic program to position and prepare the students to become productive members of their community and society. The parents and elders have always longed for the elevation of the school to a high school level. The school is rated one of the best schools in Gbarpolu County.

Partners Committed to Furthering Education
