# LOTT CAREY BAPTIST FOREIGN MISSION CONVENTION

Rev. Emmett L. Dunn Executive Secretary-Treasurer

# Introduction and greetings:

Grace and peace be unto you from God our creator, Christ our Savior, and the Holy Spirit our comforter. I thank God daily for each of you and the blessed privilege of serving our Lott Carey

family. I am pleased to present a synopsis of our stewardship covering the period July 1, 2022 – June 30, 2023. The purpose of this summary report is to acquaint you with the overall operations of the ministry and mission of Lott Carey, highlight the impact of our missional engagement, share with you the list of donors and amount of contributions, introduce you to new initiatives, share prayer concerns from our partners and offer you an opportunity to give.

Also included in this, you will hear from each of our international mission partners. This year you will notice that we have simplified the reporting format. Each partner's report will attempt to answer the following:

- The nature of ministry engagement.
- Leadership.
- Year of covenant partnership.
- Impact.
- The number of community members served.
- What's needed to thrive.
- Prayer concerns.

I trust that you will find reasons to remain engaged and double your efforts in supporting the mission opportunities God has assigned to our hands.

### **Mission Support:**

### **Mission Visits:**

I had the opportunity to visit South Africa, Liberia, Kenya, and Jamaica for the first time since I assumed the role of Executive Secretary-Treasurer/CEO due to the COVID restrictions placed on the traveling public. I am pleased to report that all the partners visited are making a difference in ways that can only be described as sacrificial service with miraculous results. Undoubtedly, the work is challenging, and, in some cases, resources are minimal, but they persevere notwithstanding. It must be noted that since Lott Carey reduced our annual contributions due to the recession back in 2016, we have yet to be able to restore funding. I am fully aware that our churches here in the US are also experiencing economic challenges. However, I would like to see us make intentional attempts at increasing our annual mission support. We can accomplish this if each of us makes the sacrifice and increase our contributions to support the work.

Future visits include Nigeria, India, Ethiopia, Guyana, Zimbabwe, and Haiti.

### **Membership Drive:**

In my report last year, you were informed that the Board of Directors had approved my proposal to launch a new membership drive, offering individuals the opportunity to become supporting partners of the mission and ministry of Lott Carey through financial and prayer support. I am delighted to announce that this new initiative, I Am Lott Carey, was launched during the 2023 Annual Spring Mission Conference. The sole intention of this program is to ensure a sound financial future for our ministry. The I am Lott Carey membership program offers everyone the opportunity to participate where they are most comfortable. For your convenience, a brochure with detailed information on the different giving levels was included in your registration packet. The information is also available on the Lott Carey website. I trust that you will embrace this as a way that all of us can help fund our calling to Touch Lives with Transforming Love.

### **Thriving Congregation:**

Launched last Spring, the Thriving Congregation initiative, funded with a grant from Lilly Endowment, is designed to equip pastors and lay leaders to help congregations better recognize their changing social and cultural contexts, clarify values and mission, and cultivate Christian practices that can strengthen their vitality, faithfulness, and effectiveness.

This program supports congregations to thrive by building leadership capabilities to discern assets and opportunities, clarify vision and mission, and engage in practices that can empower them to flourish.

Currently, there are 40 participants from 15 congregations of both rural and urban churches from the Mid-Atlantic region, Maryland, the District of Columbia, Virginia, and North Carolina. The first two cohorts will conclude their training in September 2024, and the third and fourth cohorts, with congregations concentrating in the Northeast and Southwest Regions, will commence in the latter part of 2024. Recruitment for the second phase of the program will begin this Fall.

### **Mission Opportunities:**

We are in the process of relaunching our shortterm mission program now that we are learning to live with COVID. Our partners in Jamaica and Puerto Rico are preparing to host teams desirous of extending their Christian witness by assisting our brothers and sisters in their time of need. The security situation in Haiti presents us with challenges beyond our control, which constrain us from sending teams currently. We remain in prayers with our Haitian family. Congregations should contact the Lott Carey office for more information.

### **New Initiatives:**

### Lott Carey Safe Feet Project:

Lott Carey continues to find ways to serve our global family. Recently we launched the Lott Carey Safe Feet project. This program is designed to provide shoes for children and, in some cases, adults. Access to affordable footwear is an ongoing challenge in most of the communities we serve. The lack thereof prevents some from attending school and engaging in recreational activities, especially during the rainy season. Proper footwear can also protect against diseases such as Hookworm, which affects thousands of people annually. To date, Lott Carey has made available 630 pairs of shoes. Lott Carey received a \$15,000.00 grant from the Hines Foundation for this initiative.

### **Bikes for Pastors:**

This project will assist pastors, evangelists, and church planters with transportation, making navigating difficult and sometimes impassable roads a little easier. Lott Carey has provided a few bikes to our partners in Liberia and Kenya.

### Water/Well Project: Wells for Wellness

Lott Carey has committed to building ten wells and supporting water projects in response to requests from our partners in Kenya, Liberia, and Sierra Leone. Negotiations are underway with a company to provide safe drinking water to three communities as part of our outreach in Kenya. St. Paul Baptist Church, Charlotte, North Carolina, donated funds for this project. In addition, we have completed the construction of 3 wells in Liberia and one in Sierra Leone. Funds are still needed to meet our goal of 10 wells by the end of our fiscal year ending June 30, 2024. The average cost of a well is \$5,000.00.

# David Emmanuel & Pamela Goatley High School Construction:

During my first assessment visit to our mission schools in Liberia, I met with the elders and parents of students of Bopolu, Gbarpolu County, who petitioned Lott Carey to extend our current junior high school to the high school level. I advanced this request to the Board of Directors and received the approval to move forward with the building project. In addition, it was also decided that as a way to honor Dr. & Mrs. Goatley for their many years of service, the school be named in their honor.

Please consider supporting this worthy cause and become a Partner Committed to Furthering Education. As such, you will help Lott Carey to raise monies to aid in the construction of a High School in Gbarpolu, Liberia. Currently, the Lott Carey Mission School campus runs from Nursery to grade 9, and its students come from a 5-mile radius of the campus. The nearest high school is 15 miles away, and too far and expensive for many students to travel back and forth to school. As a result, when students complete the 9th grade, they have minimal opportunity to continue their education. Lott Carey elevating its Gbarpolu campus to a high school will allow many students from neighboring towns to attend and complete high school, giving them a greater opportunity to improve their lives and that of their families and community.

Lott Carey Mission School in Gbarpolu is rated one of the best schools in the County. The construction of a high school, with programming to include academics, vocation, and technical training, will be the medium to position students for higher education and self-sustainability as young entrepreneurs and provide students with the essential knowledge and skill set to become productive workers in the workforce, and members of their community and society.

Together, we can do more! The construction of the High School in Gbarpolu County cannot happen without your support. Will you help us to make this longing of parents and elders in Gbarpolu County a reality?

### **Other Community Initiatives include:**

Acquiring additional land to expand the coffee farm in Kenya.

Upgrading the clinic in Kenya

Upgrading the clinic at Lott Carey Mission School/ Liberia and extending services to the larger community

### In Memorial:

The Rev. Dr. Henry Mugabe, founding president of Zimbabwe Theological Seminary, along with his son, Munvaradzi Johannes Mugabe, and ZTS President, Dr. Dudziri Chimeri, died in a tragic auto accident on October 21, 2022. We remember Dr. Magabe as a transformational leader and a committed Lott Carey partner. We continue praying for his wife, surviving children, and the seminary community. May the souls of God's faithful departed rest in peace.
