The USEBH was founded by the Leaders of the Lott Carey Baptist Church in Haiti after the departure of the missionaries of Lott Carey in 1977. The Partnership with the Lott Carey goes back more than a century. The Superintendent is Rev **Marc Arthur ST CYR**. He has been elected since april 2022, since his presidence, the Lott Carey has become the pivot of the event and development of the USEBH by the grace of God.The young people,the children,the leaders and the haitian baptist community are deeply touched by the support of the Lott Carey Family.

Nature of Mission

Our Mission USEBH evolves in spiritual domain,,through our churches we evangelize the haitian community,and we etablish new churches.We work in the field of education,our churches have schools for the training of our children.Thanks to the support of Lott Carey we are helping families affected by recent disasters in the country.We believe that the church is called to be a community of belivers and servants. The Usebh is important to the christian witness because it continue to empower pastors and congregations and the community to remain true to the gospel, fight voodoo, and train our congregations for the spiritual warfare, participate in the transformative work of God's church throught evangelism, crusades, christian formation, mission.

We present a summary of our activities inthe following lines :

Annual Conference

This year, our annual conference will take place from August 10th to 13th 2023at Lott Carey Baptist Church at Leogane.

Each year, all our churches meet in one place for 4 days. Durng this assembly,the executive committee present the report to the leaders. We do training to the pastors and workers of our

churches, so that they are encouraged and equipped to serve better. We share moments of worship to our lord. We training young workers and women during the conference. When we take time to pray for and with God's people, we can listen to the Holy Spirit and see God working in real people during the conference.

Children Christmas Program

Every year during the christmas period, we give biblical training for 3 days and we distribute gifts to our children. Thanks to the support of the Lott Carey Baptist Foreign Mission Convention we have organized the children's christmas program for the year 2022 and more than 950 have received gifts. 980	\$10	\$ 9800 USD

Youth Retreat

Young people of all our churches organize 5 days of conference during which they receive biblical training, they are motivated to evangelize. The spiritual retreat for the youth is important to our mission because it promotes sharing between young People from different areas, we motivated them to work to ensure succession because the country needs political leaders with the fear of God. This event facilitated opportunities for advance planning, capacity building, worship, fun, and fellowship. This year this event will take place in august due the political unrest and the situation of insecurity that the country is experieny. The retreat had not taken place last february.

Spiritual Retreat for Leaders (March and November)

We organize two others training sessions each year for the pastors and leaders. The retreat allows us to give biblical training to pastors and leaders of our churches, considering that many of them had not been to a theological school, this training allows our leaders to properly serve the evangelical community and we have become more performing and all thanks to the support of Lott Carey without whom we could not remain standing until now.

Annual women conference

The Annual women's conference is a ministry that is bearing much fruit through our churches. Christian women are pillars in our local churches. This conference is organized in order to worship God, and train women to be much more dynamic. This year, we had a mobile clinic who offered by some Haitian doctors who offered their service to us for free, for take care of theses women who do not have access to a hospital center even if they are suffering. 38 women gave their lives to Jesus Christ during the conference organized at Fond des Negres in May 2023.

Compassion and Food Distribution

Behold, as the eyes of servants are fixed on the hand of their masters, and the eyes of a maidservant on the hand of her mistress, so our eyes look to the Lord our God, even may he have mercy on us. Psalms 123 :2

Due to the recent disasters in Haiti, the situation of Haitian families has become increasingly difficult. According to the latest FAO report, Haiti the poorest country in the western Hemisphere has more than 6 million food insecure people. We made a request to the Lott Carey to be able to help the most vulnerable people in our congregations. December 16th, 2022 the Lott Carey Baptist Foreign Mission supported the Haitian Baptist community with a donation of 20,000 USD and we served 418 families. Thanks to the support of Lott Carey, we gave the families a food kit including : drinking water, Rice, beans, Sausages, spaghetti. 22 of our churches received food supplies from the Lott Carey Family in January 28th 2023.

Our heartfelt gratitude and prayers for the wellbeing of Rev. Dr. Gina M. STEWART, President of the Convention, Rev. Emmet L. Dunn Executive Secretary/Treasurer, and Dr. John M. Alexander, Jr., Chairman.

EDUCATION

Our churches have schools through which we ensure the social, biblical and spiritual formation of our children. This project has a very significant impact on the community. It allows poor children to have access to education. This project allows us to evangelize the children and also their parents. This year, 804 children are beneficiaries of the Lott Carey support, 9 schools and 50 teachers receive their monthly payment regularly.

The next year, we will have 1 new school in the program and in relation to the increase of the cost of living in Haiti, we kindly ask the Lott Carey to make an adjustment on the teachers' salary for the next year. Thus, we submit to you the revised budget :

Year	Schools	Children beneficiary	Teacher	Monthly Pay 2023	Adjustment	Monthly Pay 2024
2023-2024	10	1025	53	3365 USD	635 USD	4000 USD

In Fond des Nègres, Miragoane, Petite Rivière de Nippes, three new professional schools are opened under this name : **LOTT CAREY PROFESSIONAL SCHOOL (LCPS)** These schools are founded by our churches' leaders in order to train our young people to have a trade. However, we lack the financial means to be able to operate these professional schools normally.

We kindly ask the Lott Carey Baptist Mission to pay close attention to this project carried out to help young people to have a trade and tomorrow they could help themselves and other people.

IMPACT OF MINISTRY

Thanks to the monthly financial support to schools of our Mission by Lott Carey Baptist Foreign Mission Convention, 8 teachers who were previously unemployed found employment and their living conditions changed completely, 88 children go to school for free and more than 60 families are directly affected by Lott Carey support.

The Partnership of Lott Carey is important to the Christian witness in Haiti because it continues to empower churches and communities to participate in the transforming work of Haitian people through evangelism, Christian formation, and education.

In general terms, we have witnessed tremendous progress in the lives of the people we serve. There are four visible areas that are distinct to the achievements of our ministry.

1-SPIRITUAL REALM

Through our sermons, conferences, mission and crusades, this year, more than 500 people gave their lives to Jesus-Christ our Lord. The more than 4200 members in all our 30 congregations bear testimony to the effectiveness and vibrancy of our ministry, our evangelism and Church planting ministries have borne tremendous spiritual fruits. The dedication of the Christian to the things of God has been encouraging. Spirit filled lives are a blessing and an encouragement to all of us who are on the leadership. We organized from March 16 to 18, 3 days of retreat spiritual for the benefit of our churches and 120 leaders took part in this event and the result are considerable insofar as our leaders are motivated, encouraged, our churches grow and healings divine took place during and after the retreat and all thanks to the monthly financial support of the Lott Carey Mission at our national office. With the monthly support of Lott Carey, we are able to meet certain needs of our churches, such as buying sound equipment for our services, we organized the Children's Christmas in December 2022, and more than 950 children have benefited, conferences are organized, Pastors exchange program, and our churches are enjoying church to church partnership and we are sharing the God's news in many ways.

We pray that the Lord may touch hearts of more partners so that Lott Carey Baptist Foreign Mission Convention can raise many more funds, so that the Lott Carey continues to support the work of God throughout the world and particularly in Haiti.

2) Social

We held a wedding conference and 9 couples got married February 25th, 2023, thanks to the Lott Carey monthly support. Today 22 couples are already registered to participate in August 2023, in the mass wedding program which finances the expenses for people who live in cohabitation or free union and whose economic difficulties prevent them from getting married. Thanks to this program 22 new couples will get married during the annual conference.

3) Education

The Lott Carey Partnership is very important to our Mission and the Haitian people in general. The lives of many people are transformed. The impact of the Lott Carey in our community is evident and impressive. The Lott Carey generally impacts in the field of education 9 schools, 804 children and 50 teachers. However, the mission Unsebh pays full school fees for 356 children for the year 2023 thanks to the Lott Carey support.

4) Economic

Wherever our schools have been sited, there has been increased economic activities; Also, the schools provide employment for the community, security personnel, gardeners, cleanup crew, teaching staff and classroom assistants.
